HUNGER CLOSE TO HOME: Promoting Food Security in Douglas County

What is the Hunger Summit?

Hunger is a real problem for Wisconsin and Douglas County families. There is not always enough food for an active, healthy life. Close to 1 in 10 families in Douglas County are food insecure.

You may already be working to address hunger in your community. Together we can achieve even more! You're invited to join others from around Wisconsin to learn and share, network and collaborate, and be inspired with ideas and actions to further make a difference.

Who should attend?:

There is a seat at the table for you. Food providers, food growers, activists, public and private agency staff, educators, concerned citizens, members of the faith community, business leaders, local elected officials, youth organization leaders and anyone interested in reducing hunger in Douglas County should attend.

Highlights:

- ◆ Increase your awareness of food systems
- ◆ Learn about local resources to help combat hunger
- ◆ Expand networking opportunities
- ◆ Share successes and challenges
- ◆ Help to define the next steps to combating hunger

Integral to the day's discussions is a food security action plan entitled **Ending Hunger in Wisconsin**, drafted by the Wisconsin Food Security Consortium. We invite you to review this document prior to the forum if possible.

It is available online at: wisconsinfoodsecurityconsortium.org
or <http://www.uwex.edu/ces/flp/wfsc>

Call 395-1546 to request a paper copy of the action plan.

An Executive Summary of **Ending Hunger in Wisconsin** will be provided at the forum.
