

# About Our Club

The Fredenberg Town Hall Gardeners gather on a monthly basis, February through October, to learn, share knowledge of gardening, and have some fun.

Membership ranges from experienced, Master Gardeners, to beginners looking for ideas and advice.

The garden club was established in 2006.

The Fredenberg Town Hall Gardeners meet the fourth Thursday of each month (February through October) at the Fredenberg Town Hall located at the intersection of Lavaquae Road and Fish Lake Road in Fredenberg Township. Membership is open to any interested individuals.

Club dues and DGFS membership are \$10.00 per year.

Through support of the Fredenberg Town Board and members of the community, the club has expanded and is managing the gardens at the Fredenberg Town Hall.

Our monthly meetings include a guest speaker, garden tour or a special project related to gardening.

The Fredenberg Town Hall Gardeners are members of the Duluth Garden Flower Society (DGFS) and enjoy participating in a variety of social and educational activities sponsored by the society.
